

Dispenser

Portioneringswiel per blend

Het correcte portioneringswiel per blend staat aangegeven op de deksel van de koker waar de thee in wordt geleverd.

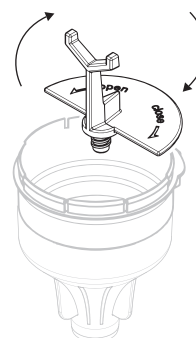

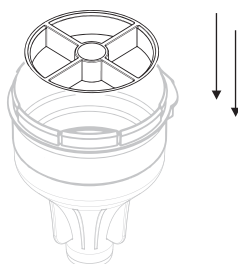

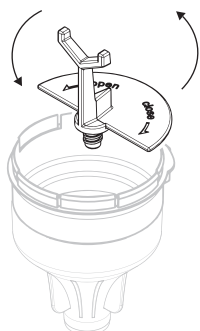

Onderhoud

Het is belangrijk om geregeld de dispenser te reinigen. Gebruik hiervoor **geen** water maar een droge doek.

STAP 1

Assembleren dispenser

- 1 Verwijder de schroefsluiting door deze linksom te draaien.
- 2 Plaats het correcte* portioneringswiel.
*zie deksel van de koker
- 3 Draai de schroefsluiting rechtsom weer vast.

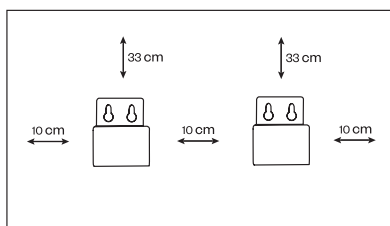

STAP 2 (OPTIONEEL)

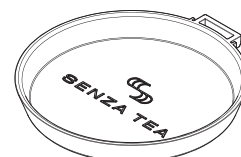

Montage muurbeugel

- 1 Monteer de muurbeugel waterpas op de muur met behulp van het meegeleverde montagesjabloon.

Voor het gebruik van de dispensers op standaard: volg de instructies in de doos van de standaard.

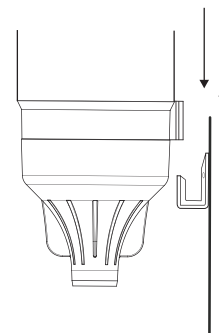

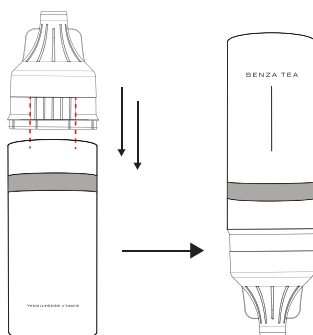

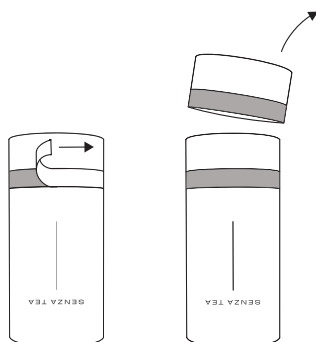

- 2 Optioneel: Plaats het los verkrijgbare lekbakje volgens de gebruiksaanwijzing in de verpakking.

STAP 3

Klaarmaken voor gebruik

- 1 Trek de sealstrip op de deksel los en verwijder de deksel van de koker.
- 2 Controleer of de dispenser is uitgelijnd met de makering op de koker.
- 3 Schuif de dispenser over de muurbeugel.

Dispenser

Portioning wheel

The correct portioning wheel for each blend can be found on the lid of the tube in which the tea is delivered.

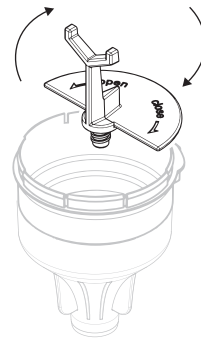

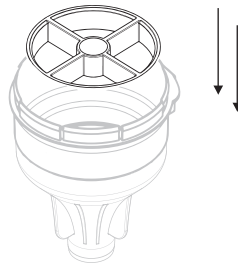

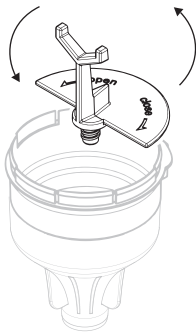

Maintenance

It is important to clean the dispenser regularly.
Do not use water to clean the dispenser. Use a dry cloth instead.

STEP 1

Assemble the dispenser

- 1 Remove the rotatable disc by turning it counterclockwise.
- 2 Place the correct* portioning wheel.
*Look at the lid of the tube.
- 3 Tighten the rotatable disc again by turning it clockwise.

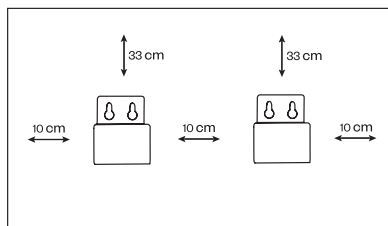

STEP 2 (OPTIONAL)

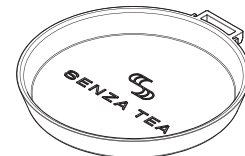

Wall mount installation

- 1 Mount the wall bracket level on the wall using the supplied mounting template.

To use the dispensers in combination with the stand: consult the instructions in the box of the stand.

- 2 Optional: Place the drip tray (separately available) according to the instructions in the box.

STEP 3

Prepare for use

- 1 Remove the seal strip and take the lid off the tube.
- 2 Check if the dispenser is aligned with the marking on the back of the tube.
- 3 Slide the dispenser onto the wall bracket.
